Equipem Projectes

Remove floor tiles, vinyl and cork up to 6 times faster

THE MAKINEX JACKHAMMER TROLLEY is a versatile demolition tool that removes floor tiles, parquetry, and mortar beds. It can also prepare surfaces by removing residue from tile beds and concrete floors.

CHALLENGE ON THE JOB?

- ✗ Taking up tiles is a tough physical job - no one likes doing it
- ✗ On the job back and neck injuries that costs time and money.

SOLUTIONS

- ✓ Makinex Jackhammer Trolley gets the job done up to 6 x faster
- ✓ Adjustable angle with foot plates allows you to remove tiles with less effort
- ✓ Built in shock absorbers reduce vibrations and operator fatigue
- ✓ Ensuring your staff have the best tools for the job
- ✓ Suits most 16kg jackhammers

Makinex Flippable Wide Chisel Jackhammer Attachment

- 75mm wide harden steel chisel with flippable edges allows for more even wearing

Tile Smasher Jackhammer Attachment

- Machined from a single block of steel with no moving plates, results in no shearing of bolts
- Fitted with 150mm wide high tensile steel replaceable blade
